

## **FCC STATEMENT ON COMCAST V. FCC DECISION**

Federal Communications Commission Spokesperson Jen Howard:

“The FCC is firmly committed to promoting an open Internet and to policies that will bring the enormous benefits of broadband to all Americans. It will rest these policies -- all of which will be designed to foster innovation and investment while protecting and empowering consumers -- on a solid legal foundation.

“Today’s court decision invalidated the prior Commission’s approach to preserving an open Internet. But the Court in no way disagreed with the importance of preserving a free and open Internet; nor did it close the door to other methods for achieving this important end.”
